Prime MAGNETIC BASE FILM WHITE 500

Magnetic Base Film White 500 μ can be mounted on flat, curved and cylindrical surfaces. Build your magnetic surface and create stunning graphics in combination with our ferrous media. Magnetic Base Film is available in three different thicknesses. The thicker base films have a higher holding strength and are recommended for larger graphics. Use this white surface base film for areas where the wall is not always covered with graphics or print it with UV-cure inks.
